1. It is imperative that all inspectors and contractors are in possession of and are familiar with the applicable code books.
2. The form must be completed in full. Incomplete forms will be returned.
3. A copy of your Request for Review will be sent to all parties involved in the review.
4. A consensus of opinion including at least three contractors and three inspectors will be gathered, disbursed to the parties, and printed in the IEF Newsletter.
5. The Mechanical Contractor / Inspector Review Board (MCIRB) is not legally authorized by any unit of government but serves only as an advisory panel to the industry.
